**10. DISHONORED PAYMENT DEVICES.** Any payment device returned unpaid for any reason shall be subject to a handling charge of \$35.00 for the FIRST occurrence. Any additional payment device returned unpaid for any reason for the duration of the lease, shall also be subject to a late charge as per Section 8, "Late Charge" of this lease.

**11. HOLDING OVER.** Resident understands that KAMAP will be contracting with a new party to move into these Premises within a short period of time after the end of this Lease and that KAMAP needs this time to prepare for the new Lease. (The next Resident of the apartment may be moving in within 48 hours of the end of your lease. KAMAP needs that 48 hours for inspection, and to complete repairs or cleaning that may be necessary.) ALL cleaning must be completed, and ALL personal items must be completely removed, by 12 noon on the ending date of this Lease. It is understood by Resident that failure to move out on the date and time (12 NOON) specified in this Lease will subject KAMAP to great potential economic harm. This Lease is made upon the express agreement by Resident that Resident will vacate the Premises upon the agreed time and date or be subject to the following fees: Since it is difficult to ascertain the exact damages due to a holding over past 12 noon on the ending date of this Lease, Residents agree to pay \$200.00 per each 4 hours, or portion thereof, if the premises are not completely vacated by Residents, or Residents agents, or guests, by 12 noon on the END DATE of this Lease.

**12. COLLECTIONS/THREE DAY NOTICES.** If Resident is in default for non-payment of rent on the 5<sup>th</sup> day of the month and KAMAP therefore, on that day or thereafter, prepares a Notice of Collections or a Three Day Notice to Pay Rent or Surrender Possession, Resident shall pay KAMAP an administrative/collections charge minimum of at least \$350.00 – the charge may be higher depending on additional collection fees. This is in addition to any Lease payments, late charges, interest or other fees that may be charged to the Residents' account.

**13. SUBLETTING AND ASSIGNMENT.** No portion of the premises shall be sublet, nor this Lease Agreement assigned, without the express consent of KAMAP. Any attempted subletting or assignment by Resident without such express consent of KAMAP, shall, at the election of KAMAP be an irremediable breach of this Lease Agreement and cause for immediate termination as provided herein and by law. Resident is expressly prohibited from offering all or part of the premises for short-term rental, such as, but not limited to, through AIRBNB, VRBO or other such sites.

**14. OCCUPANCY.** The total number of persons occupying these premises shall be no more than TWO. Residents agree to an additional lease payment of \$1,500.00 per month for any person that occupies the premises in excess of TWO persons. For purposes of this section, it is agreed that "occupying the premises" means any person residing at the premises for more than 7 days or 7 nights in any 30 day period.

**15. PROCEDURE FOR RELEASING A RESIDENT FROM LIABILITY UNDER THIS LEASE.** Removing a person from the lease is a material change of the lease that affects the rights and duties of all parties to this Lease. KAMAP does not agree to any undocumented changes in the lease. KAMAP may agree to a release if the release does not substantially change the ability of the remaining Residents to maintain the Lease payments, and if the following conditions are met:

**15.1** The Resident requesting to be removed from this Lease shall obtain a written document stating that every Resident on the Lease agrees that the vacating Resident will no longer be liable under this Lease. The document must be signed and dated by every Resident on this Lease. The document must include a statement releasing any claim by the vacating Resident to a portion of the security deposit. (In other words, KAMAP will be giving only the remaining Residents the security deposit at the end of the lease term, so you need to work out with them any security deposit you think you have coming.)

**15.2** Each Resident seeking to be released of liability shall pay KAMAP \$400.00 for such release of liability under this lease.

**16. PROCEDURE FOR ADDING A RESIDENT TO THIS LEASE.** Adding a person to this lease is a material change of the lease that affects the rights and duties of all parties to this Lease. KAMAP does not agree to any undocumented changes in this Lease, however, at KAMAP'S sole discretion, KAMAP may agree under the following conditions:

**16.1** Any new Resident wishing to become a part of this Lease after the initial signing of this Lease, must fill out a KAMAP rental application, provide credit information acceptable to KAMAP, agree to become bound by all of the terms and provisions of this Lease, accept liability for the present financial status of this Lease and the physical condition of the Premises, and must obtain the written agreement of every Resident to being added to the Lease.

**17. Condition of Premises:** Resident acknowledges receipt of the Premises in a clean condition and in good order and repair without exception, except for such deficiencies as Resident sets forth in a written list of deficiencies supplied by Resident to KAMAP within 24 hours of the commencement of tenancy. This requirement is intended to protect Resident against erroneous charges. Resident acknowledges receipt of an Inventory and Condition Report to be completed and returned to KAMAP to be used for such purpose. Resident shall: (a) keep the Premises in a clean and sanitary condition; (b) dispose of all rubbish, garbage and waste in a clean and sanitary manner; (c) properly use and operate all electrical, gas and plumbing fixtures and keep the same in a clean condition; (d) not permit any person in or about the Premises with Resident's consent, to deface, damage or remove any part of the structure in which the Premises are located nor the facilities, equipment or appurtenances thereto or thereon, nor he himself to do any such thing; (e) occupy and use the Premises in the manner in which they are designated and intended to be occupied and used. Resident shall be liable for the expense of any repair caused by Resident's failure to comply with conditions. Resident is obligated to do any repair-of-damage work or cleaning only through licensed, insured professionals approved in advance by KAMAP in writing and to provide KAMAP with releases from such individuals evidencing full payment for any such repair or cleaning work. Resident shall not install or use any dishwasher, clothes washer, clothes dryer, bidet, air conditioner or other major appliance in or about the Premises, except those which may be supplied by KAMAP, unless approved in advance by KAMAP in writing. Resident shall not use electrical appliance in the Premises, either individually or in the aggregate, which exceed the electrical capacity of the wires, switches, receptacles, fuses, circuit breakers or other components of the electrical system in the Premises. Any amenities that do not affect the habitability of the Premises such as swimming pools, barbecue areas, and patio or picnic furniture, may be reduced or removed at KAMAP's sole discretion and the reduction or removal of such amenity shall not constitute a material breach of this Lease Agreement.

**18. PAINTING CONDITION OF THE PREMISES.** Unless Resident objects in writing at the time of taking possession, Resident hereby agrees that taking occupancy of the Premises is an acknowledgement that the interior walls of the premises are on par, or above par, with Isla Vista community industry standards at the time of Resident's occupancy. Resident hereby agrees that if, upon Resident vacating, the interior of the premises requires painting to return it to rentable Isla Vista community industry standards, and Resident shall pay the following:

- 18.1** The full cost of said painting if Resident has occupied the premises for nine months or less;
- 18.2** Two thirds (2/3) of the cost of said painting if Resident has occupied the premises for more than nine months but less than twenty four months;
- 18.3** One third (1/3) of the cost of said painting if Resident has occupied the premises for more than twenty four months but less than thirty six months;
- 18.4** None of the cost of said painting if Resident has occupied said premises more than thirty six months.
- 18.5 Damage – such as, but not limited to, holes in the painted surfaces, will not be prorated.**

**19. KEYS.** Residents will be given one house key for each Resident who signs this lease but only one mail box key (if applicable) will be given for the apartment. Resident will be charged \$25.00 per key for any lost key or key not returned at the end of the lease. **Keys not returned to KAMAP on the day the apartment is vacated will be treated as lost.** (NOTE: You may have replacement or additional keys made from your roommate's keys at your own expense if you wish, but it is hereby agreed that all copied keys immediately become the property of KAMAP and must be returned to KAMAP at the end of this Lease.)

**20. KAMAP RIGHT TO ENTER.** KAMAP shall give Resident at least twenty-four (24) hours advance notice of KAMAP's intent to enter the premises except in the following circumstances: (a) in case of any emergency; (b) when KAMAP reasonably believes that Resident has abandoned or surrendered the premises; (c) to make necessary repairs or inspection for repairs or services to the exterior of the building; and (d) for routine gardening services. Resident agrees that if Resident makes a repair/service request, Resident is giving KAMAP authorization to fulfill the request during normal business hours without 24 hour advance notice, unless Resident expressly informs KAMAP otherwise.

**21. UTILITIES.**

**21.1 TRASH.** KAMAP shall be responsible for paying the normal trash collection service to these Premises. (NOTE: Large items that do not fit in standard trash receptacles, and items that the trash collection service considers hazardous – like, but not limited to batteries and oil – are not normal.)

**21.2 WATER** KAMAP shall be responsible for contracting and paying for the normal water service to the Premises.

**21.3 GAS & ELECTRIC.** Resident shall be responsible for contracting and paying for the gas (Gas Company 877-238-0092) and the electric services (**SCE.com or Edison Company 800-655-4555**) to their Premises. Resident agrees to maintain electric service for the entire length of this Lease as it is detrimental to the refrigerator interior if there is no electric service. The electric utility company, (Southern California Edison), will automatically bill KAMAP if Resident fails to contract for service on their own. **Therefore, Resident agrees to pay a TWENTY FIVE DOLLAR (\$25.00) handling fee to KAMAP, for any electric bill that KAMAP has to pay for Resident as a result of Resident failing to initiate, contract, or pay, that utility on their own.** This **\$25.00** handling fee to KAMAP is payable even if Resident later contracts to pay the 'back' utility bills directly to the utility company.

**21.4 INTERNET.** KAMAP agrees to pay for basic Internet service from Cox Cable on a service agreement to the entire building at which this leased premises is located under a master service agreement which DOES NOT include Cable TV. NOTE that KAMAP pays for, but does not maintain or service the cable services. Cox Cable remains the primary Internet provider and any and all issues regarding this service, including but not limited to installation, service, maintenance, reception, interruption, or accessibility, shall be directed by the Resident only to Cox Cable (**855-512-8876**). Resident agrees to hold KAMAP harmless from any damages due to the interruption of any Internet services for any reason, unless the interruption was caused by KAMAP's failure to pay for the basic building service charge.

Resident agrees to abide by any Internet access rules under the entire building service plan. Any hardware or software needed to connect the cable to Resident's computer or TV, or services beyond, or upgrades to, the basic Internet services shall be the sole responsibility of Resident, including any charges for downloads prohibited by Cox Cable policies.

Resident agrees to pay KAMAP a minimum **\$50.00** service charge if it becomes necessary for Kamap to work with Cox Cable to restore service that was interrupted due to Resident downloading prohibited material (per Cox Cable policies).

**21.5 COX CABLE MODEM.** Residents will be issued one Cox Cable modem at no charge. Residents agree to contact Cox Cable on their own if they desire to use a non-Cox Cable supplied modem. Resident agrees to pay Kamap up to \$250.00 for any Cox Cable equipment or device that is broken or missing from the premises at the end of the Lease.

**22. PETS.** Pets or animals of any kind – including "visiting" pets/animals - are prohibited to reside, or be present, at the premises at any time, without prior consent of KAMAP. KAMAP reserves the right to withhold consent, but will not unreasonably do so if Resident provides a written request for an accommodation for an Emotional Support Animal (ESA) along with documentation supporting the request, evidence of current rabies vaccinations and licensing with the local government agency, and the proposed animal is appropriate, given the living area of the premises. KAMAP may consider a pet upon request by Resident, and if KAMAP consents to the presence of the pet at the premises then the Resident agrees to pay Pet Rent as Additional Rent if the pet is a dog or a cat in the amount of \$300 per month to maintain possession of the pet. Resident also agrees to pay an additional deposit in the amount of \$300 to cover any damages caused by the pet. Tenant shall provide KAMAP with evidence of rabies vaccinations for the pet if applicable, and in the case of a dog shall provide evidence of current licensing with the local government agency before consent will be given. Consent to have the pet reside at the premises must be given by all roommates. Continued presence of the pet or ESA at the premises without first meeting all of the state's requirements will constitute a material breach of the lease, and KAMAP may pursue all remedies available for such violation including eviction and forfeiture of the lease. KAMAP reserves the right to require removal of the pet or ESA if the animal becomes unreasonably disruptive to other Residents; if Resident fails to clean up after the animal; if the animal displays aggression to other Residents, their guests or other animals at the premises; or if the animal is completely inappropriate in KAMAP's opinion for the premises.

**23. APPLIANCES.** One refrigerator, and one stove are included in this Lease. No other furniture is included in this Lease.

**24. SKATE BOARD/BIKE RAMPS, TRAMPOLINES, FIRE PITS, POOLS.** Construction, or use, of skate board or bike ramps, trampolines, fire pits, outdoor pools or hot tubs, even if temporary, on the premises is strictly prohibited, and is considered a **major breach** of this lease, subjecting Resident to (1) immediate eviction, and (2) charges for any damages, and (3) additional rent of **\$500.00** per any month, or portion of month, in which the breach occurred. This prohibition includes, but is not limited to, using any part of the premises' rails, curbs, stairways, steps, or any other feature of the building, for such skate board and/or bike ramps.

**25. SECURITY DEPOSIT.** KAMAP may apply the SECURITY DEPOSIT to:

- 25.1** Any default in the payment of rent by Resident
- 25.2** The repair of any damages to the leased premises caused by Resident, or Resident's guests and/or invitees
- 25.3** Toward any fees or charges (as example only: late charges, returned check charges)
- 25.4** To clean the leased premises upon termination of the tenancy to the condition it was upon Residents start of lease
- 25.5** The **PROFESSIONAL STEAM CLEANING** of the carpet if Resident does not provide proof of professional steam cleaning (NOTE: As proof, you must provide KAMAP an invoice from the company doing the carpet cleaning showing the date and time of their work. Steam cleaning must be the last thing done in your unit. You may not walk on the carpet after it has been professionally steam cleaned.)
- 25.6** No SECURITY DEPOSIT shall be withheld for reasonable wear and tear to the leased premises, however it is agreed that cleanliness is not a factor of reasonable wear and tear, so even if an item is left worn it must still be left clean.
- 25.7** KAMAP shall mail the remaining SECURITY DEPOSIT in one check within 21 days of the termination of this Lease, to the person designated by Residents.

**26. HOUSEHOLD INSECTS OR PESTS.** Ants, termites, spiders, flies, bees, wasps, cockroaches, mice, raccoons, skunks, nesting wild birds, etc. are a fact of nature. Sometimes these creatures are following a food source which is in the control of Residents. Sometimes they are "swarming" which is simply in their nature (for example termites in late summer), and some creatures are protected by law. It is agreed by Residents that Resident will make the initial attempt to control indoor pests by cleaning up food sources, initial spraying with standard household pesticides, setting out of mice traps, etc. KAMAP does retain a professional pest control company for spraying as needed. If it is determined that the insect or pest infestation is the result of Residents negligence, Resident agrees to pay for the insect or pest abatement.

**27. REMODEL/REPAIR/CONSTRUCTION WORK.** From time to time remodel, repair, and/or construction may be necessary in and around the building. This activity is necessary to upgrade and improve the building and no compensation will be given for any noise or inconvenience associated with these activities.

**28. ROOF/ATTIC ACCESS.** Access to the roof (including fascia) and/or attic of the building, which houses the Premises, is strictly prohibited. Entering onto the roof or into the attic areas is a **major breach** of this Lease and is cause for (1) immediate eviction, and (2) charges for any damages to the roof or fascia or attic, and (3) additional rent of **\$500.00** per any month or portion of month that roof or attic was used.

**29. PLUMBING BLOCKAGES.** During the first 30 days of the lease KAMAP will clear plumbing blockages or slow draining pipes at no charge, unless it is clearly due to the negligence of Resident. After 30 days, the clearing of a plumbing blockage is the responsibility of Residents. Resident agrees to call KAMAP (805-685-2627) **FIRST** to report any plumbing problems. If the blockage is determined to be due to the Residents negligence, **THE KAMAP PLUMBER'S SERVICE CALL STARTS AT \$100.00** (**That's \$100 minimum even if it only takes the plumber one minute to plunge the toilet**). Resident assumes the liability for all charges if Resident makes a non-KAMAP approved plumbing service call.

**30. LOCKED OUT.** It is Resident's primary responsibility to hire their own locksmith, at Resident's expense, if they lock themselves out of their unit. However, if the lock out is during normal KAMAP office hours, Resident may obtain a temporary loaner key. In such cases, KAMAP may assess a service charge of **\$25.00** for opening your apartment door between 10 AM to 5PM, Monday through Friday, or **\$100.00** at all other times.

**31. DELIVERY OF POSSESSION.** If KAMAP cannot deliver possession of the leased premises to the Resident at the scheduled time of commencement of this tenancy, this Lease shall not be void or voidable, nor shall KAMAP be liable for any loss or damage resulting therefrom, but there shall be a prorated reduction in the rent for the period between the scheduled commencement of this Lease term and the actual commencement of the Lease term. Said pro-ration formula shall be: Monthly Rent divided by 30, times the number of occupancy days lost.

**32. MEGAN'S LAW.** California Civil Code 12079-10a requires that you be informed that sex offender databases are maintained by law enforcement agencies, and that the public, including the Lessee, may access them at <http://meganslaw.ca.gov/>.

**33.7** Resident shall not install or permit to be installed any liquid filled beds, liquid-filled furniture, aquariums of more than five gallons, or exterior antenna in or about the leased premises.

**33.8 SMOKING.** See attached Addendum regarding Smoking Ordinance of Santa Barbara County.

**33.9 PARTIES.** - Resident agrees to respect the rights of their neighbors by keeping any gathering or party INSIDE their apartment, and to clean up any litter left in the common areas after the gathering or party. Resident is responsible for any damage done to the Premises by their guests or by anyone drawn to the Premises due to their gathering or party.

**33.10 TRASH.** - Any trash or litter left lying in common apartment areas (such as outside front doors or in courtyards) will be cleaned up and charged a minimum of **\$50.00** each time it is necessary to remove such trash or refuse including cigarette butts. Resident shall deposit all garbage and waste in a clean and sanitary manner into the proper receptacle as provided and shall cooperate in keeping the trash area neat and clean. Resident shall be responsible for disposing of items of such size or nature as are not normally acceptable by the trash hauler for the premises. Trash left upon move out must also fit in receptacles or be subject to special pickup charges.

**33.11 NUISANCE.** - Resident agrees not to cause or allow any noise or activity (including, without limitation, the operation of any loud music, noise or other sound or light apparatus or practice of any loud instrument or device) on the premises which disturb the peace and quiet of any other Resident or occupants of neighboring buildings. Resident shall not engage, or otherwise encourage or allow, any live band/D.J. or performers to operate or practice on the premises. Resident agrees to curtail making any noise that can be heard outside Residents apartment after 10:00 PM on Sunday, Monday, Tuesday, Wednesday, Thursday nights and after midnight on Friday or Saturday nights.

**33.12** Resident shall be responsible for keeping the **garbage disposal** clear of items that may tend to cause stoppage of the mechanism.

**33.13** Resident shall make no alterations, repairs, or changes to the leased premises without the prior written consent of KAMAP. Upon termination of occupancy, the premises shall be surrendered to KAMAP cleaned and in substantially the same condition as received, reasonable wear and tear excepted.

**33.14 CARPETS.** - Resident agrees to have the carpet professionally steam cleaned (and provide a receipt showing time and date cleaned as proof) when Resident vacates the apartment, no matter the length of this Lease. If the carpet is not professionally steam cleaned at termination, Resident agrees that KAMAP may have it so cleaned and have the amount charged against Resident's security deposit.

**33.15 KEYS & LOCKS.** Resident shall not change or alter any lock or locking device on the leased premises without the prior written consent of KAMAP. Resident agrees to pay **\$200.00** for any changed or altered lock or locking device, and **\$25.00** for each key not returned.

**33.16 CARBON MONOXIDE AND SMOKE DETECTORS.** The premises are equipped with one or more carbon monoxide/smoke detectors that were tested at the time of initial occupancy and the Detectors were installed and in proper working condition at that time. Any Detectors that are not in working order at the time of occupancy must be reported on the Inventory and Condition Report. 2) Lessees agree to perform weekly tests of each Detector. 3) Lessees agree to keep the Detectors in the locations they were at initial time of occupancy and agree that they will not de-activate any Detectors. 4) Lessees must inform the Lessor immediately by filing a repair request at [kamaproperties@gmail.com](mailto:kamaproperties@gmail.com), of any defect or malfunction of the Detectors. 5) Lessees agree that replacement of any deactivated or missing Detectors will be done so at Lessee's expense.

**33.17** Window glass broken, and window or door screens damaged or broken, are the sole responsibility of the Resident no matter the cause, unless the breaking or damage was caused by a KAMAP agent or contractor or by normal wear on the screens. Any window screens that are damaged will be replaced at a charge of \$90.00 per screen. Door screens will be charged at \$400.00 per screen.

**33.18 EXTERNAL SIGNS OR DISPLAYS.** Resident agrees not to hang any **banners from any balconies or railings** on these Premises nor to cause displays – such as but not limited to posters, pictures, bottles – to be visible from the outside from their windows or balconies or railings.

**33.19 BALCONIES & HAND RAILS.** Resident agrees not to sit on, or climb on, or climb over, or attach anything to hand rails. Resident agrees not to permit any more than four persons to be on their balcony at one time. Also note that Santa Barbara County Ordinance (*Ord. No. 4287 Chapter 17 Sec 17-9*) does not permit sofas or couches to be stored or used on balconies, or any outdoor areas, including enclosed yards.

**33.20 Laundry Room** machines are maintained at some KAMAP properties by WASH Services INC., 800-342-5932 or wash.com. Resident will not hold KAMAP liable for any problems associated with the use of WASH Services machines, including refunds or damages to Residents personal property.

**33.21 Maintenance/Repair Requests** shall be submitted to the KAMAP at 6521 Cordoba Road #2 in writing, or by email to [kamaproperties@gmail.com](mailto:kamaproperties@gmail.com).

**34. INSURANCE AND INDEMNIFICATION.** Resident's personal property is not insured by KAMAP. KAMAP shall not be liable for any damage or injury to Resident, or any other person, or any property, occurring on the premises or any part thereof, or in common areas thereof, unless such damage is the proximate result of the negligence or unlawful act of KAMAP, its agents, or its employees. Resident agrees to hold KAMAP harmless from any claims for damages, no matter how caused except for injury or damages for which KAMAP is legally responsible. Each Resident agrees that they will either self-insure or obtain their own insurance for such damage or injury. (NOTE: Resident is responsible to pay for any damage or breakage (not limited to but for example, someone attempting to break into Resident's apartment - including damage to Resident's windows-doors-screens; and KAMAP is not liable if Resident's car is broken into. These are examples of why KAMAP strongly suggests that the Resident seriously consider obtaining renter's insurance. Residents may also be covered by their co-signers home owners policy.)

**35. SOCIAL HOST LIABILITY.** Resident is hereby given notice of "Santa Barbara County Social Host Liability Ordinance" (*Ord. No. 4752, § 2, 6-15-2010*), having to do with parties in Isla Vista and under age alcohol and substance abuse. It is hereby agreed that the violation of this ordinance constitutes a major breach of this Lease. If moisture is allowed to accumulate in the unit, it can cause mildew and mold to grow. It is important that Residents regularly allow air to circulate in the apartment. It is also important that Residents keep the interior of the unit clean and that they promptly notify KAMAP of any leaks, moisture problems, and /or mold growth.

Resident agrees to maintain the premises in a manner that prevents the occurrence of an infestation of mold or mildew in the premises. Resident agrees to uphold this responsibility in part by complying with the following list of responsibilities:

8. Resident agrees to clean and dry any visible moisture on windows, walls, and other surfaces, including personal property, as soon as reasonably possible. (Note: Mold can grow on damp surfaces within 24 to 48 hours.)
9. Resident agrees to notify KAMAP of any problems with the air conditioning or heating systems that are discovered by the Resident.
10.
